BOFFIN BOY **AND THE** **INVADERS** **FROM SPACE**

By David Orme
Illustrated by Peter Richardson

These alien space ships are on a mission . . .

Captain! Look at that planet!
It's just what we want!

The Snurgons have found Planet Earth! And
the Earth has something they really need!

Meanwhile, in a fish and chip shop somewhere in England . . .

Do you want salt and vinegar on that, mate?

No problem, Colonel Bullet. We'll be there straight away!

Come on, Wu Pee! The Colonel needs us. It's aliens!

But I haven't got my fish and chips yet!

Not that awful ring tone again!

There's no time for that. The planet is in danger!

The aliens have been sucking water up into space. If they do it one more time, the lake will be empty!

These aliens must be really thirsty.

I'll get my one-man submarine over here straight away. I'm going visiting!

Boffin Boy starts his dangerous mission . . .

Good luck, Boffin Boy!

Boffin Boy's sub is sucked up into space . . .

Here we go!

Just as I planned!

ABOUT THE AUTHOR

David Orme has written over 200 books including poetry collections, fiction and non-fiction, and school text books. When he is not writing books he travels around the country, giving performances, running writing workshops and running courses.
