

CHOOSE YOUR BATTLEGROUND

Samurai and knights are fierce fighters. They're well-matched. Both groups are from upper classes. Both groups have an honor code. Both groups are trained fighters. But they have different ways of fighting. So, choose your battleground carefully!

Battleground #1: Sea

- Samurai live in Japan. Japan is an **island**. Islands are surrounded by water. Samurai know how to live off the sea. But they don't travel much. They stay in Japan.
- Knights live in Europe. But they travel to different countries. They usually go by land. They travel on their horses. They camp on land. But they also travel in ships.

Many knights fought in the Crusades.
The Crusades were religious wars.
