

**Book 9: Writing activity**

Write a short blurb for the back cover of the series:

A scroll of parchment with ten horizontal lines for writing. The scroll is unrolled and has a slightly wavy, aged appearance.

Ask the student to read the blurb on the back of the Titan's Gauntlets series. Discuss the purpose of a back cover blurb. How much information should be offered about characters and plot? How does the blurb entice the reader to start reading the series? Ask the student to write his/her own blurb for the series. This sheet may be photocopied by the purchaser. © Phonic Books Ltd 2016
