

My parents say that I look
very handsome in them.

I don't want to look very
handsome in them.

They make the backs
of my ears hurt.

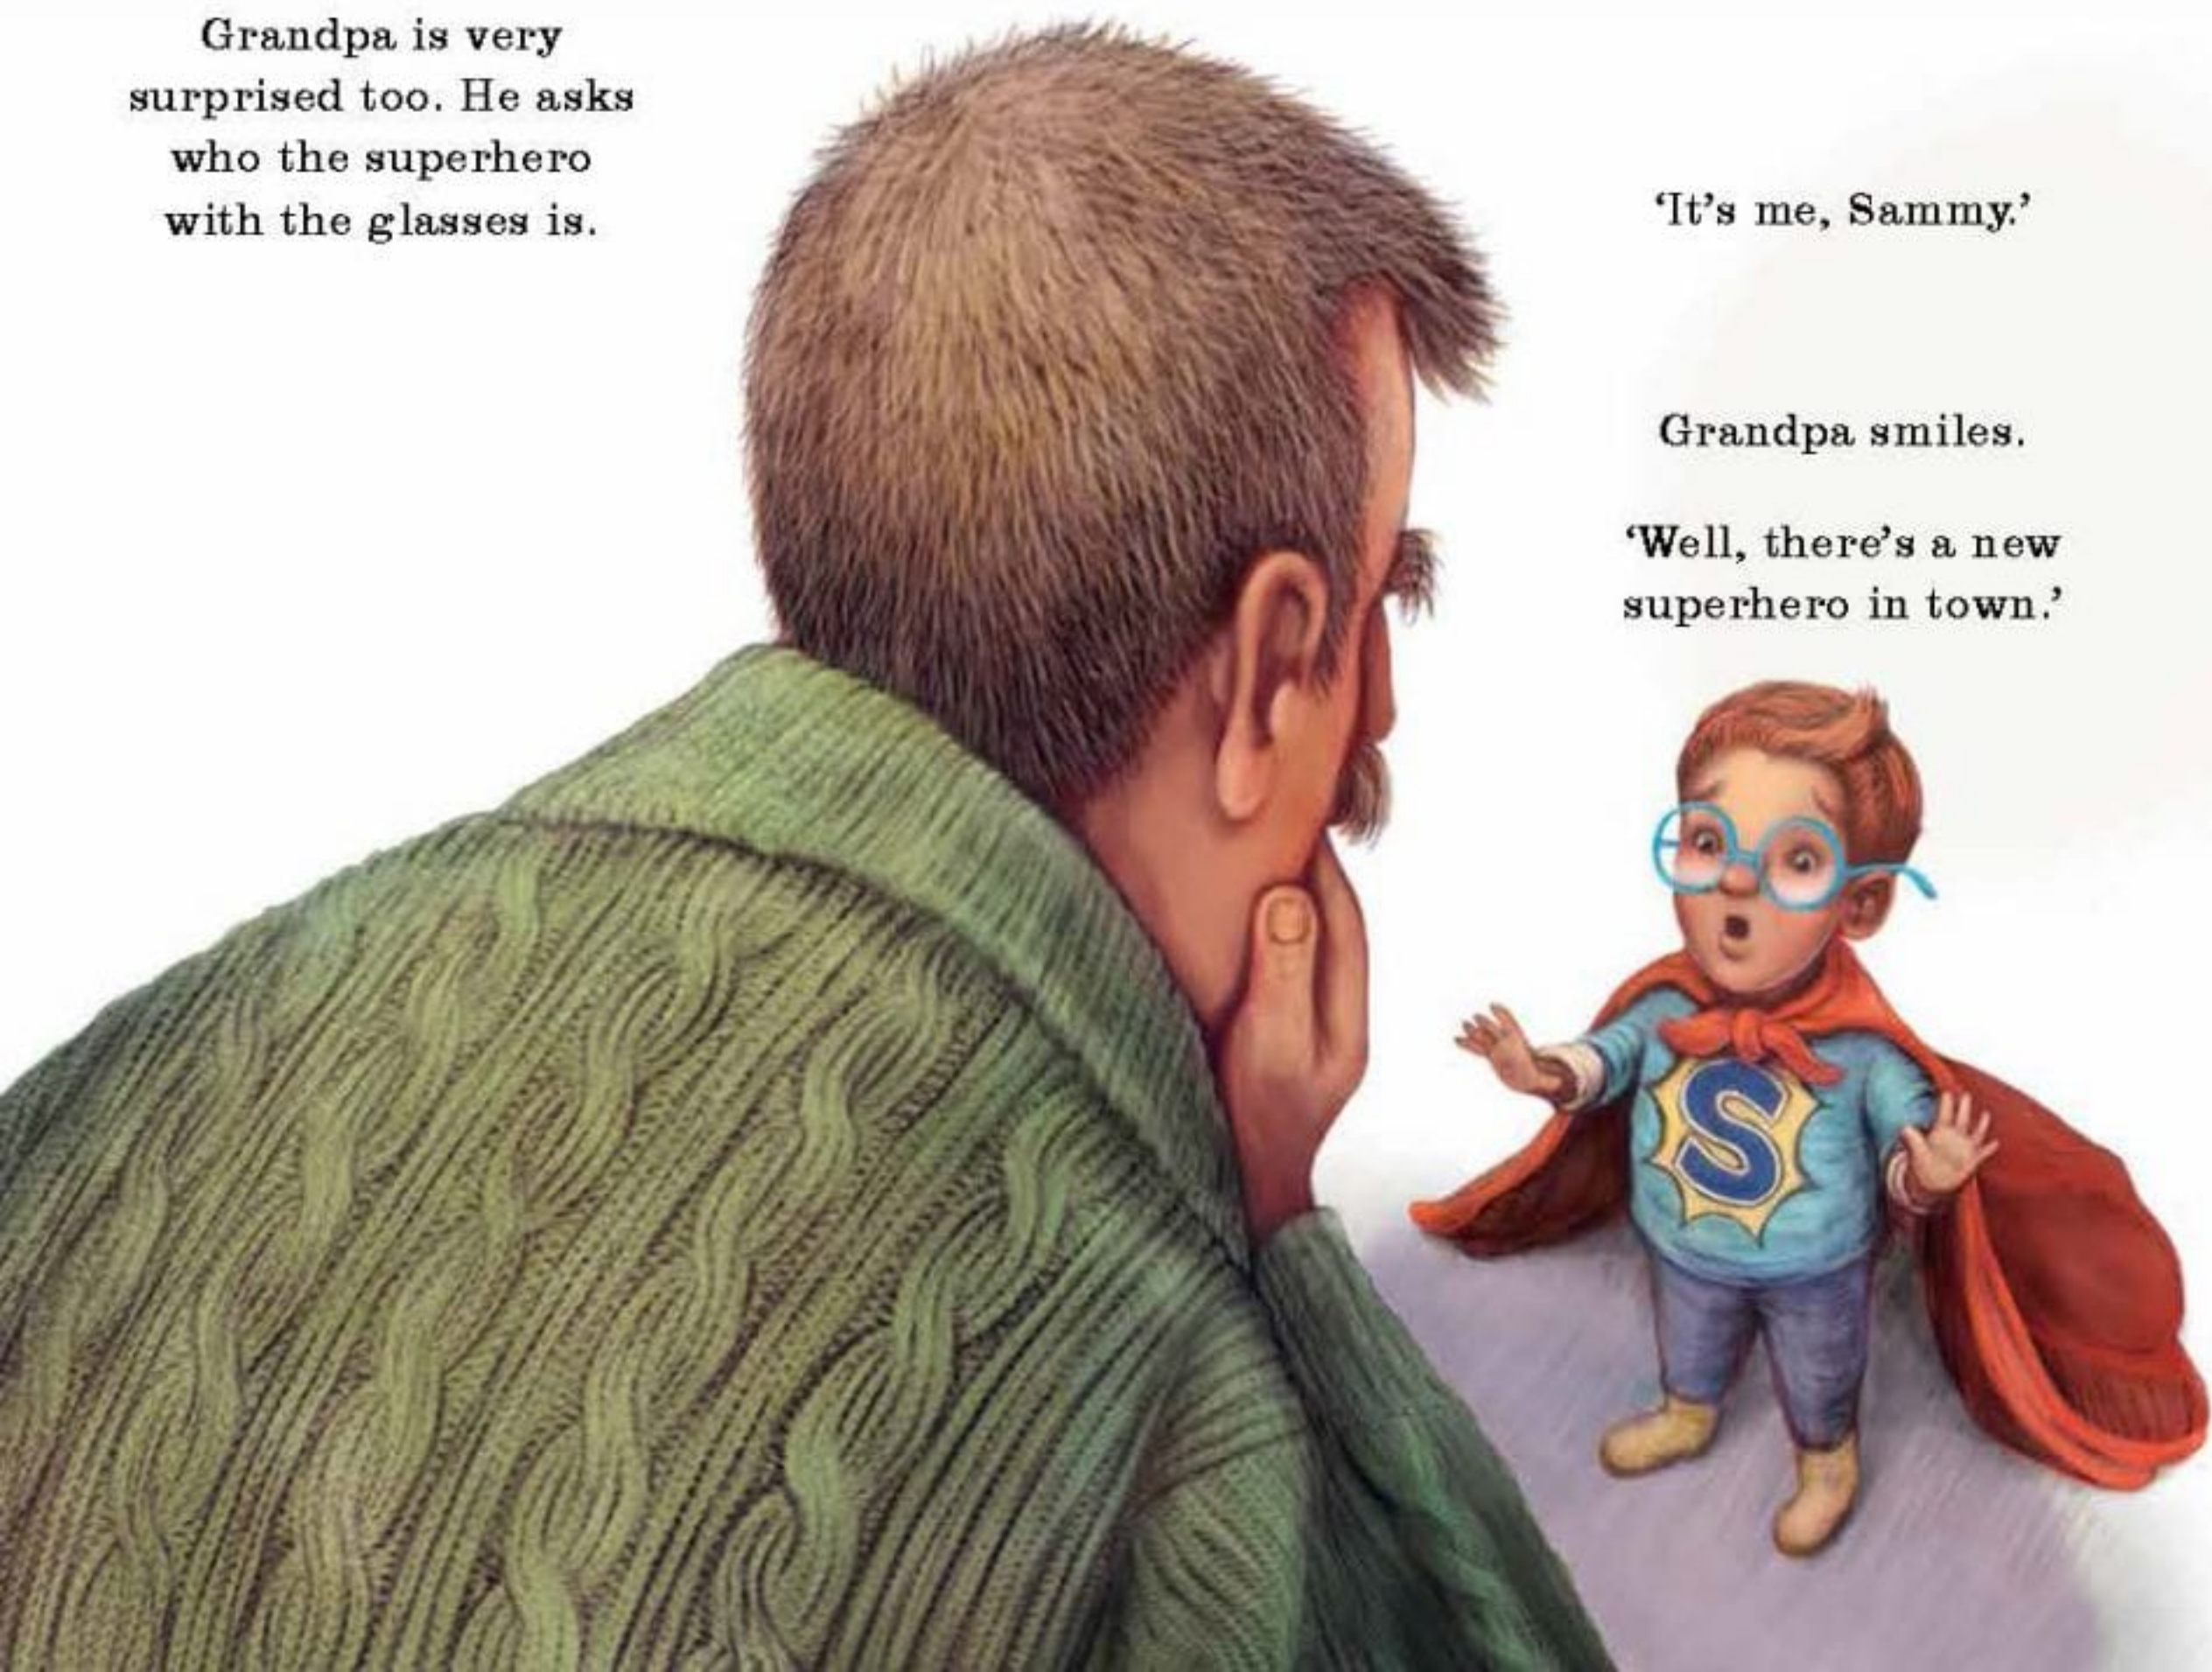

Grandma is surprised when she
sees me. 'Who's the handsome boy
in the big blue glasses?'

It's me, Sam.

'It can't be. You're so handsome.'

Grandpa is very surprised too. He asks who the superhero with the glasses is.

'It's me, Sammy.'

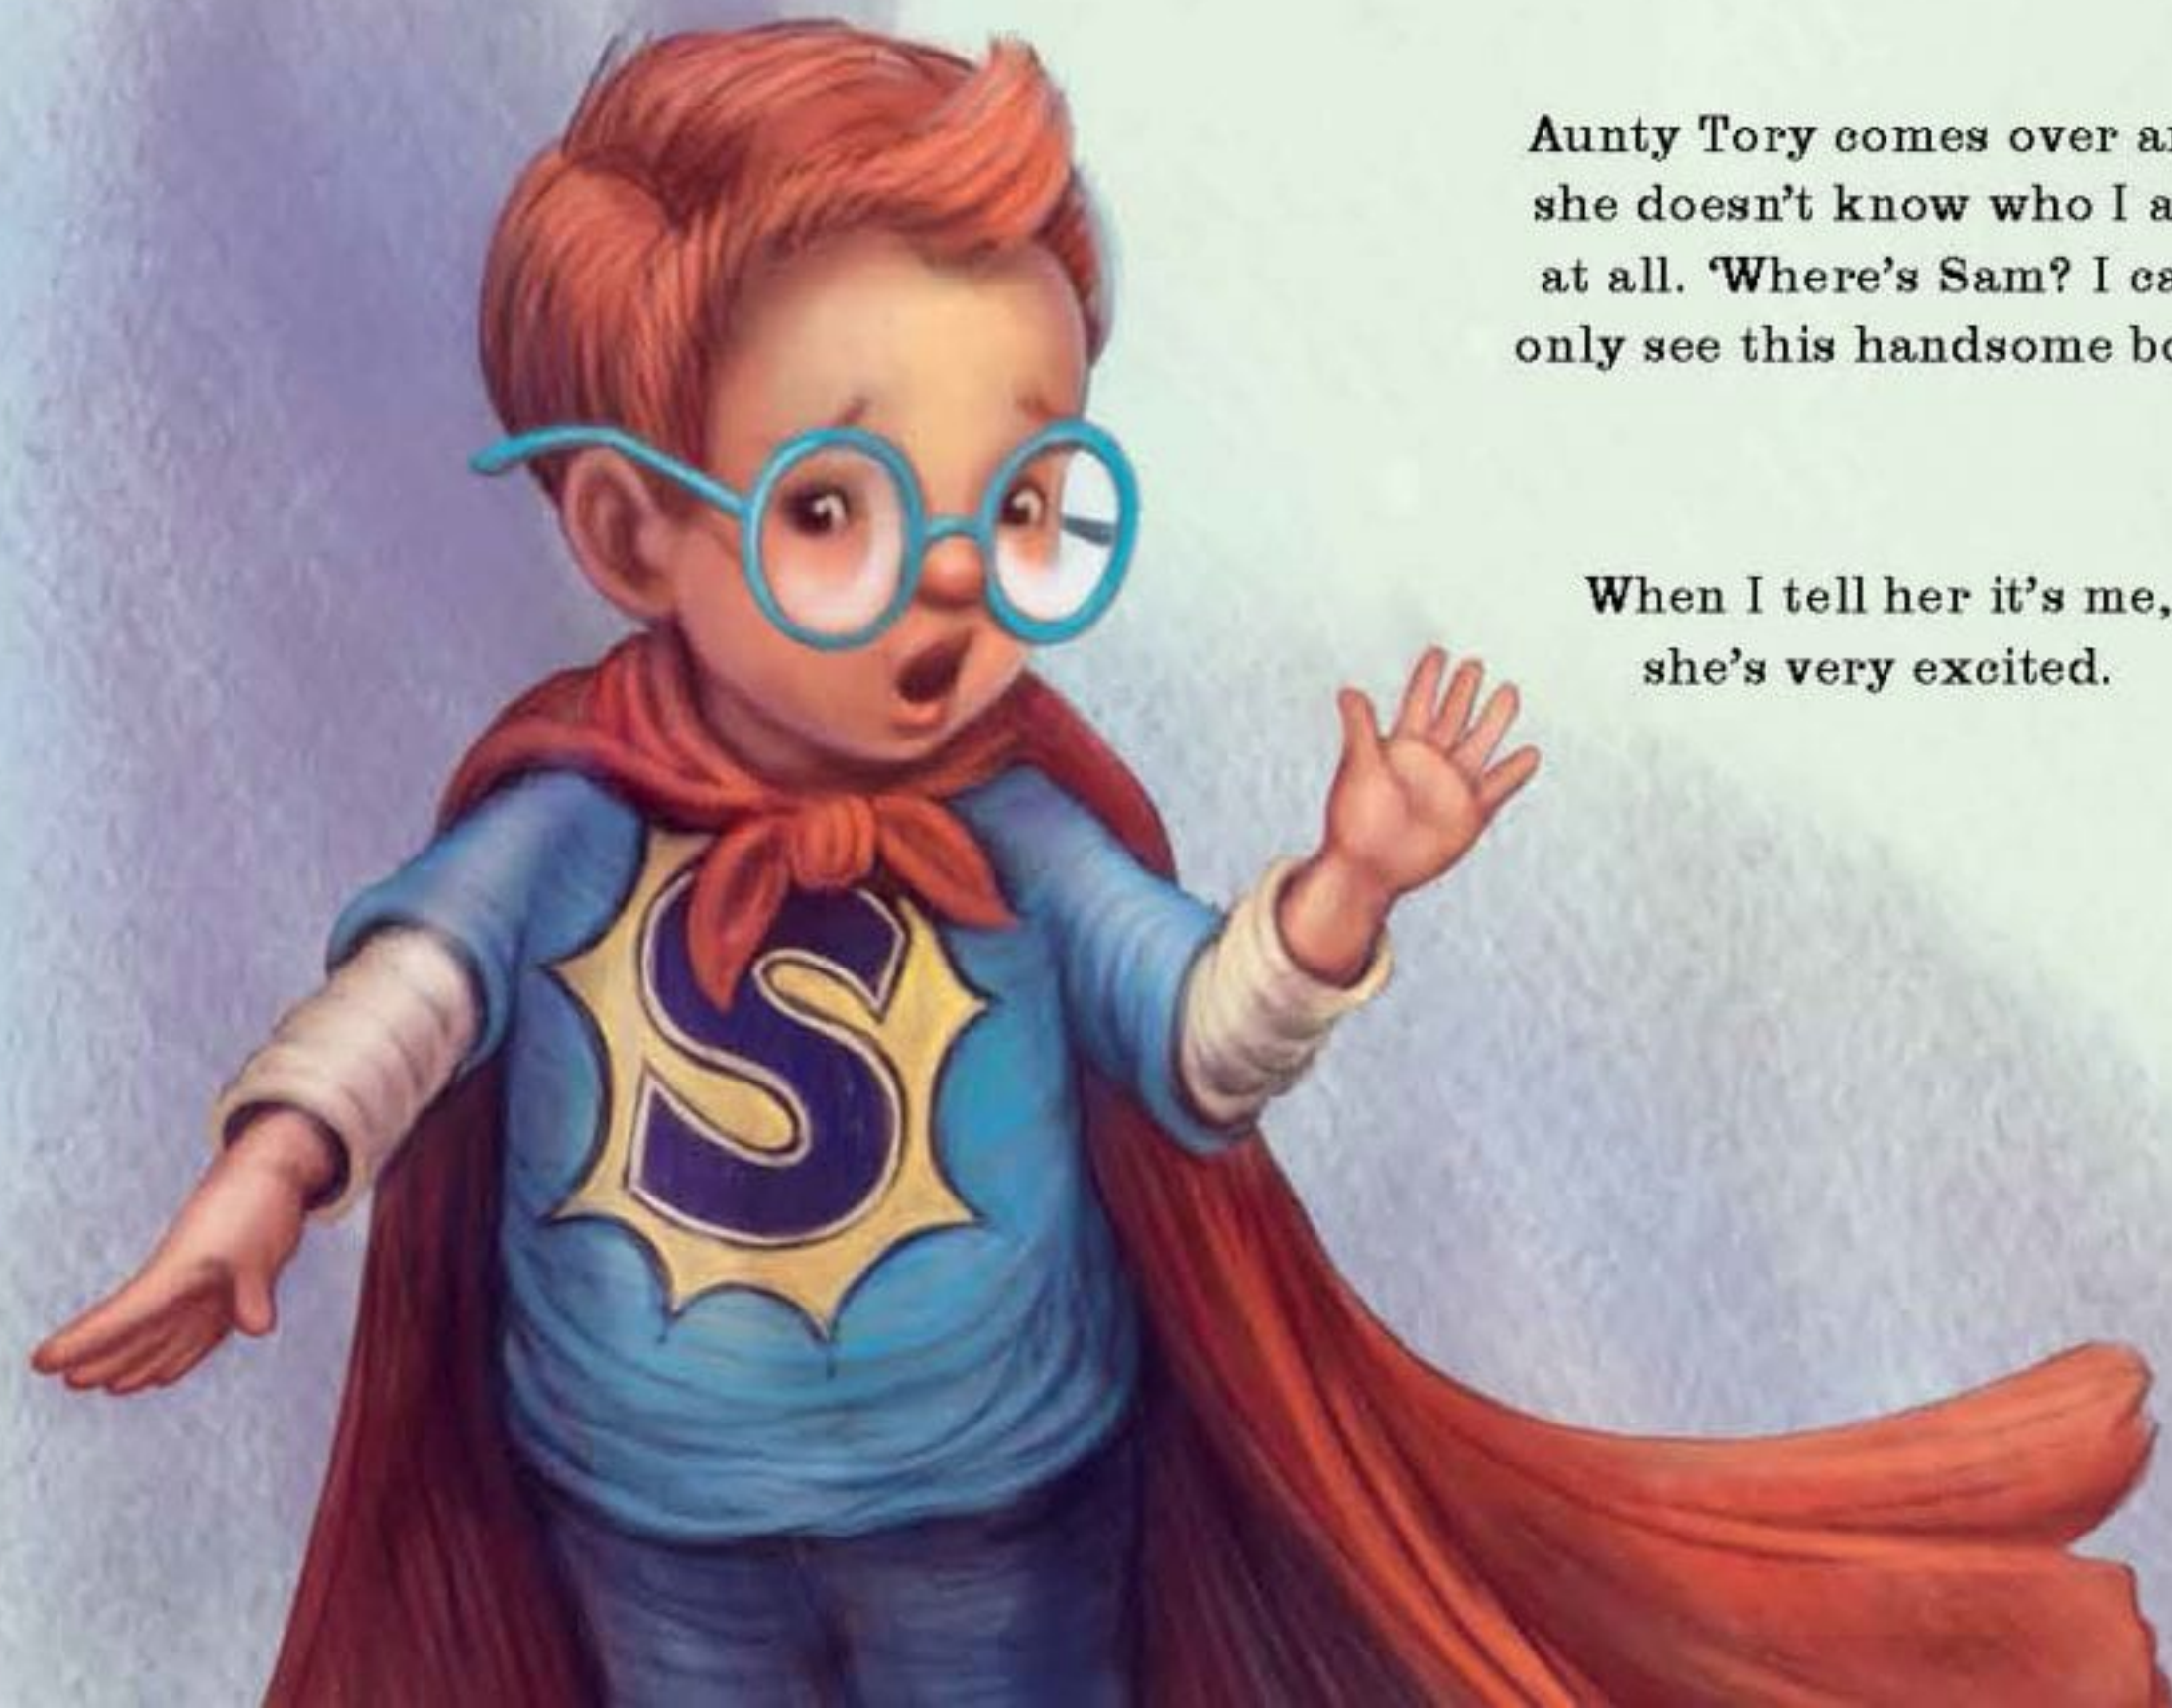

Grandpa smiles.

'Well, there's a new superhero in town.'

Aunty Tory comes over and she doesn't know who I am at all. 'Where's Sam? I can only see this handsome boy.'

When I tell her it's me, she's very excited.

George is sick.
He doesn't come to school.

I have no one to play with.

Everyone stares at me.
They don't know who I am.

Miss May won't let me
take off my glasses.

I sit by myself.
