Chapter 1

I go to Grim Street School. The best thing with Grim Street School is that there are clubs, lots of clubs, such as:

the Pet Club,
the Stamp Club,
the Chess Club,
the Cricket Club,
the Singing Club,
the Bee-keeping Club
and the Camping Club.

You have to pick which club you want to be in.

I wished I could pick the Pet Club, but I do not have a pet.

I would have picked the Cricket Club,

but Max is in that, and I did not want to be in the Cricket Club with Max. Max thinks he is the boss of the club. He hits kids with his bat if they do not do what he wants.

I wanted to be in the Bee-Keeping Club, but Mum told me I could get stung by a bee and swell up.

Then I picked the Singing Club, but when I sang, Dad yelled, 'Is that Adam screeching or a dog yelping?'

Mum told me that Dad cannot sing, and he thinks there is no need for me to do it.

I could not think what to do. I could not sleep for thinking. So Dad and I went to see Miss Fit.

Miss Fit was with the Singing Club. We had to sit on a bench until they had

finished. Dad is not fond of singing so he did not want to sit there, but he had to.
